### Dates to Remember

*May 22:* [Jacksonville Who? Viewing](#) in Downtown Jacksonville

*June 25:* Start of Second 6-Week Summer Term

### Premier New Welcome Center

A Welcome Center is on the horizon for JU serving prospective students and their families, alumni, fans and other guests to campus. The single-story, 11,750-square-foot building will be centrally located between the Gooding and Howard Administration buildings.

The Welcome Center is planned to serve as a hub for the Admissions, Financial Aid and advising offices with plazas, seating, and group meeting areas. It also will feature the JU Bookstore stocked with Dolphin gear.

We plan to break ground on this project this summer, and to be up and running in January 2019!

## Career Resource Center

In fact, summer may be a good time to work on career steps since academics are mostly on hiatus until August. If your student is looking to create a resume, get tips for their job search or check out what the job market is like, they can stop by the Career Resource Center in the Davis Student Commons or contact them at [careers@ju.edu](mailto:careers@ju.edu).
